Varsity Facilities

- MSU Soccer Park – Home of New York Red Bulls II, this 5,000-seat, FieldTurf facility is lit for night matches and has adjacent locker rooms.
- Panzer Athletic Center – Student athlete gym facility with state-of-the-art fitness center, baseball/softball batting cages and basketball court. Panzer's pool for swimming and diving teams is a six-lane 25-yard pool with two 1-meter diving boards and seats 300 spectators.
- Sprague Field – 6,000-seat field for football, field hockey and lacrosse.
- Softball Stadium – Home of the Red Hawk softball team.
- Yogi Berra Stadium – Home of the Red Hawk baseball team
 - Also home to the Yogi Berra Museum & Learning Center!

FUN FACT: All varsity athletic team games are covered by the Red Hawk Sports Network, a joint venture between the Department of Intercollegiate Athletics and the School of Communication and Media. Sports journalism majors use Pixellot's innovative automated camera system to air games, identify highlights, create replays and more. This level of production is usually only seen at Division I schools and in professional sports. RHSN interns broadcast the games, provide commentary, contribute to the weekly show "Inside the Nest," and more.
