

Did you know Montclair State University offers more combined bachelor's/master's programs than any other school in New Jersey? Here are the benefits:

**Graduate early:
Finish a bachelor's
and master's degree
in five years**

**Save money:
Students save an
average of \$7,000**

**Graduate school
test scores
(such as
GRE and GMAT)
are waived**

**Most programs can
be applied to as an
incoming freshman
– know your path
early on!**
