Class of 1969 Prepares for 50th Reunion

Reunion provides alumni with the opportunity to reconnect with each other and with their alma mater. For many, it's a reason to celebrate with lifelong friends. For others, it's a chance to get together with their classmates, many of whom they may not have seen in 50 years. Some have been back to campus to visit or attend events and activities, while others are experiencing 50 years' worth of growth and change when they return for reunion. On May 23 and May 24, when they attend their 50th reunion, members of the Class of 1969 will have the opportunity to return to the campus that enabled them to fulfill their dreams.
