Subject: [Test] Your I-20 has been issued!

To

Dear ,

This email is to confirm that your Montclair State University I-20 has been issued!

Please see below for [instructions for downloading your I-20](#) and [important information about the document](#). Applying for an F-1 visa must bring a printed I-20 to the visa interview.

**Next Steps:**

- [Instructions for downloading your I-20 and important information about the document](#).
- Information about paying your SEVIS fee can be found on step 6 of your [admitted student checklist](#).

**Other important information:**

- [Learn more about your I-20](#) including information about why the program name on the I-20 may not exactly match your Montclair major name.
- **Pre-arrival webinars:** Do you want to learn more about applying for your visa or what to prepare to bring to the U.S.? We will be hosting live sessions to tell you more about your next steps. [Check our website](#) for the schedule and register for a session.
- **Arrival Dates:** The earliest date that you are permitted to enter the United States is 30 days before the start date listed on your I-20. Note that if you arrive in the U.S. earlier than that date, you may be turned away, or if allowed entry, it could have severe consequences to your legal status.
- **Additional Resources:** Be sure to carefully read the [Newly Admitted Students' Checklist](#), [Pre-Arrival Information](#), and [10 Points to Remember When Applying for a Student Visa](#).
- Join our [spring 2024 Admitted International Student WhatsApp Group](#). Meet other new students and start to make friends!

If you have any other questions, please do not hesitate to contact us at this email. We look forward to meeting you soon!
